

HARDWOODS

WOODFOLD

Hardwood veneers bonded to 1/4-inch MDF core are finished with a clear non-tinted lacquer. Due to the natural color and grain characteristics in wood, variations may occur between the color chips and the delivered product. If a specific color/tone match is required a custom finish service is available. Please contact Woodfold for additional information. The manufacturer reserves the right to change selections or specifications at any time without notice.

Price points may vary by material. Contact your Woodfold supplier for a quotation.

Crafting Value For More Than 50 Years.
